

HAZELTON NEWS.

We desire, if not too late, to make a motion in the Walker vs. Nixon case, and trust the authorities will duly consider it. We move the court that all of the ballots thrown out as being void be gathered up and counted for Mr. Nixon, not that we think any of them were ever intended to be voted for him, but for the reason that it is absolutely necessary for Chester I. Long to have his man Friday in the legislature, and we would hate to have him appear in the legislative halls as a Barber County Representative relying only on eight stolen votes when he had just as well have all of those that have been thrown out. We think this would look much more favorable for Nixon for two reasons, first the eight votes he is now trying to steal are votes that were never cast and could not by any process of reasoning be counted for any one. The second reason is that the votes that were thrown out were actually voted for some one and by all means ought to be counted, so while we are at it why not count them for Nixon and not have him steal his way into the legislature on the paltry number of eight stolen votes. Why not make a decent steal and be done with it? If the Court will uphold the one, why not the other? We do not want it understood by this that we think for one moment that those votes thrown out were intended to be voted for Mr. Nixon. All we are asking is that while he is stealing votes let him steal from some one who actually voted and not from some imaginary person who so far as he knows does not and never did exist.

NOTICE TO THE PUBLIC.

Donnan's Studio will Close Dec. 10th

and will remain closed until spring. Hugh Donnan will be here in person from Dec. 1st to 10th. He will bring with him new backgrounds and a finishing outfit, and will do some very fine work which will be finished here and guaranteed to please. Note this: If anyone has had work done at our Studio that was not entirely satisfactory, please return it and have more photos made before we close. Now don't overlook this and kick about us after we are gone. If anyone holds bills against us present them and they will be paid.

During this last ten days we will give a Medallion button with each dozen photos, just the thing for a nice Christmas present. You remember that this is the last chance you will have to get fine photos made in Medicine Lodge this winter. Don't forget that positively our Studio closes Dec. 10th, and that all work will be finished and delivered before we leave the town.

HUGH DONNAN.

D. B. Mills, the grainman, contracted for about ten thousand bushels of wheat raised by U. S. Landis, Charley Newkirk, Geo. Scott and others in Moore township, and had the grain delivered at Kiowa this week owing to the bad condition of the road west of Hazelton near the old river bridge. Hazelton made a mistake when it permitted the river bridge to be taken up and loses much trade that it received formerly from beyond the river in that direction.—Kiowa News-Review.
